

The Clear Choice Is Crystal

CRYSTAL PACIFIC WINDOW & DOOR SYSTEMS // 1850 ATLANTA AVE, RIVERSIDE, CA 92507 // PH 951-779-9300 FX 951-779-6300

Crystal California was established in January 2012 as Crystal Pacific and is a member of the Crystal family of companies, which includes manufacturing facilities and related building products and services subsidiaries in New York, Pennsylvania, Illinois, and Missouri – all from a small start-up begun by Taiwanese immigrant Thomas Chen in 1990. Crystal is now a top-50 window manufacturer in North America.

Crystal is an award-winning manufacturer of energy-efficient, quality vinyl and aluminum windows, and high-end fenestration systems for residential, commercial, and institutional buildings. Crystal's product and service benefits are many: quality workmanship, full energy-efficient product line, innovative product features, green manufacturing, and extraordinary value. The extended Crystal family of companies includes not only fenestration manufacturing, but also aluminum extrusion and solar energy.

Crystal California manufactures energy-efficient, quality windows and doors for replacement and new construction applications; and offers a wide variety of types, styles, and options to suit any architectural design in the residential and commercial community throughout Southern California and beyond. Crystal California products carry NAMI and NFRC certifications, deliver low U-values (U-factors) and outstanding solar heat gain coefficients (SGHC), and include reliable warranties.

Crystal California employs some of the window industries' most highly skilled, experienced management and manufacturing personnel; and is proud to be part of the Crystal family of companies. Come grow with us and let's continue to make window and door history.
