

Co-Op Advertising Program

Effective 1/1/14

The co-op advertising program by Crystal Pacific Window & Door Systems (Crystal California) has been set up to assist Crystal California authorized dealers in promoting the Crystal name as well as their own company's name.

CO-OP REIMBURSEMENT

Crystal California will reimburse up to 50% of the net cost of qualifying media space. The reimbursement is prorated to reflect our portion when only a portion of the media space is dedicated to Crystal California. Reimbursement will be in the form of a credit to your account at a rate not to exceed 2% of all qualified purchases. If there is any direct or indirect reference to a Crystal competitor, there will be zero reimbursement.

PURCHASE REQUIREMENTS

Crystal California customers whose net purchases for the calendar year are over \$25,000 are eligible for the program providing they are in good credit standing. Purchases that are paid for out of the agreed upon credit terms do not qualify. Large projects that require a special volume discount may not qualify.

TERMS & CONDITIONS

The Crystal California logo must appear prominently in each qualified item. All reimbursement requests must be made in writing with proper documentation within 90 days of the event. All advertising must be in compliance with all state, local and federal laws. It is highly recommended that the Crystal California marketing department review all potential co-op items prior to use. Failure to do so may result in rejection of the reimbursement request. Please submit all requests in writing to Crystal California.

QUALIFIED MEDIA

These items usually qualify: trade publications, periodicals, mailers, door hangers, signage, and trade show booths. Additional items may qualify, but please check with Crystal California. Proof must be submitted with reimbursement request (e.g., copy of the space dedicated to Crystal California and invoice including publication name, date, and duration).

PROMOTIONAL ITEMS

Displays, literature, signage, and other items that are normally chargeable by Crystal California may qualify providing you have written approval in advance.
